## Ice buildup + ice care

### IceMaster "Direct Drive Boss", battery powered ice scraper

Article number 9000001

- Electronic direct drive
- Variable speed range
- Machine runs quietly and energy efficient
- 36 volt
- Frontend electrically adjustable
- Integrated charger, 230 volt connection
- Including 1 blade

### RinkMaster "Ultra 2/2010", battery powered ice scraper

Article number 9000005

- Digitally controlled drive system
- 24 volt
- Speed range infinitely adjustable
- Oil-free, flanged directly to the electric motor gear
- Silently, directly of driven electric motor and integrated charger
- Electronic problem detection and integrated wheel unloading
- Measuring rod for the inclination of the blade

### Original replacement parts for IceMaster-, IceKing- and Rinkmaster scraper machines

Article number 9010590

Variety of wear replacement parts

### Replacement blade for ice scrapers

Article number 9000015

Replacement blades for ice scrapers IceKing, IceMaster and RinkMaster, mounted on a steel beam  
Length 152.40 cm

### Cooling channel system for blade and nipper

Article number 9000025

Permanent ice channel with compressor and control, 220 volt, guaranteed application temperature for blades and nippers.

### **Replacement blade for ice scrapers**

Article number 9000030

Replacement blades for ice scrapers IceKing and IceMaster with wood blade guard, without steel beam  
Length 152.00 cm

### **Wood blade guard for ice scraper blades**

Article number 9000035

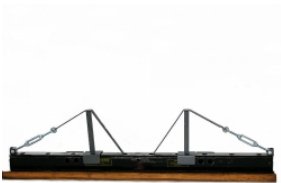

Wood blade guard for ice scraper blades

### **SHOT reusable wooden case**

Article number 9000045

For packaging the ice scraper blades with quick release cover  
2 sizes of cases: for the transport of 1 or 2 blades

### **SHOT scraper blade tension bar**

Article number 9000125

Scraper blade tension bar, 2-pieces, for a balanced tightening  
Suitable for IceMaster, IceKing and Cancurl ice scraper blades

### **Cancurl scraper blade tension bar 5ft.**

Article number 9000050

With 2 lever protections and 2 tensioning screws

### **Blade tensioner for ice scrapers**

Article number 9000055

Suitable for IceKing and IceMaster

### Honing kit for blades

Article number 9000060

Kit includes: Fine and coars hone stone with handle, length 30.48 cm, storage case with soaking tray and honing fluid

Derzeit kein Bild  
verfügbar

### Replacement hone stone for knife grinding set

Article number 9000385

Silicon carbide, length 30.48 cm, fine and coars

### Grinding stone set

Article number 9000020

Grinding stone, grain size 400/1000, grinding oil and storage box

### Deep cycle wet or gel batterie

Article number 9000070

12 volt/10A for 24 and 36 volt for IceKing, IceMaster and RinkMaster ice scrapers

### Battery connection clamps

Article number 9000075

For the ice scrapers IceKing, IceMaster and RinkMaster

### Breaker of circuit

Article number 9000077

Separates circuit from the battery to the motor

### Battery charger CTEK/MXS 10

Article number 9000400

Powerful, professional battery charger

### Transformer, input 230 Volt - output 115 Volt Typ VTGU 1000, 50-60 HZ

Article number 9000390

Transforms the 230 Volt voltage to 115 Volt

### Cancurl hand scraper with wooden handle

Article number 9000090

3 widths available:  
12" = 30.5 cm / 16" = 40.6 cm / 21" = 53.3 cm

Derzeit kein Bild  
verfügbar

### Replacement hand ice scraper knife with holder, without handle

Article number 9000395

To Cancurl hand ice scraper blade, in various widths

Derzeit kein Bild  
verfügbar

### Replacement handle for Cancurl hand ice scraper knife

Article number 9000420

Wooden handle with connecting shaft

### Replacement blade for hand scraper

Article number 9000095

IceKing 33.0 cm, Cancurl 30.5 cm, 40.6 cm or 53.3 cm, Olson 53.4 cm

### **JetIce Carbonblock Filter**

Article number 9000300

Pebble water treatment filter 4.63"x20" (118 x 508mm)

### **JetIce-DI-Polish Filter**

Article number 9000320

Pebble water treatment filter 4.5"x20" (114 x 508mm)

### **JetIce Carbonblock, replacement cartouche**

Article number 9000310

4.63"x20" (118 x 508mm)

### **JetIce-DI-Polish replacement cartouche**

Article number 9000330

4.5"x20" (114 x 508mm)

### **Expert pH-value water tester**

Article number 9000370

Measures the pH value and the temperature of the water

### **Elite CTS pocket water tester**

Article number 9000380

Measures the conductivity in  $\mu\text{S}$ , TDS in ppm, salinity in ppt and the temperature of the water

### **SHOT - Hot water tank for pebble water**

Article number 9000340

Stepless temperature setting, timer, without valve

### **Pebble water heater**

Article number 9000105

Plastic tank with a capacity of 114 lt., heated to 65°C for longer lasting pebble, 230 volt

### **Thermostat Lükon**

Article number 9000110

### **Over the shoulder plastic pebbling can**

Article number 9000115

Complete with hose, connectors and convenient shoulder straps, 11.4 lt. capacity

### **Backpack pebbling can**

Article number 9000120

Gravity, 15 lt. capacity, hose clamp holder, padded shoulder straps

### **Thermometer for the pebble water**

Article number 9000255

Permanent installation in back pack pebbling can,  
Ø of the dial 26 mm, measuring shaft L 300 mm

### **North49 back pack for pebble can**

Article number 9000130

Padded, relieves neck and shoulders

### **Replacement hose for the pebbling can**

Article number 9000135

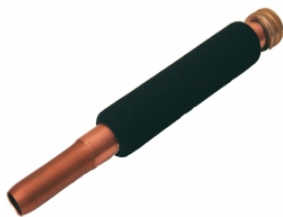

Transparent 19.0 mm x 86.0 cm, with connection fittings

### **Flexfab silicone hose**

Article number 9000140

Highly flexible, absorbs vibrations completely in the hose  
Color blue, diameter 19.0 mm, length 1.0 m

### **Cancurl pebble head extension**

Article number 9000147

Isolated, straight, inserted directly into the hose, 20.0 cm

### **Pebble head extension**

Article number 9000150

Straight, available in lengths 15.0 cm or 30.5 cm

### **Replacement rubber sealing rings**

Article number 9000153

Replacement rubber sealing rings

### Pebble head beavertail

Article number 9000155

Copper with brass screw thread 3/4", gravity  
59 holes, extra fine Ø 0.45 mm, fine Ø 0.50 mm,  
medium Ø 0.55 mm, coarse Ø 0.60 mm,  
combo XF/F (Ø 0.45 mm + Ø 0.50 mm)

### Pebble head Competition Tru Dome

Article number 9000160

Copper with brass screw thread 3/4", gravity  
65 holes, extra fine Nr.77 Ø 0.46 mm, extra fine Nr.76 Ø 0.50 mm, fine Nr.74 Ø 0.57 mm, medium Nr.72 Ø 0.64 mm, coarse Nr.71 Ø 0.66 mm, very coarse Nr.70 Ø 0.71 mm, extra coarse Nr.68 Ø 0.76 mm

### Pebble head set Competition True Dome (5 pcs)

Article number 9000165

Copper with brass screw thread 3/4", gravity  
65 holes, extra fine Nr.76 Ø 0.50 mm, fine Nr.74 Ø 0.57 mm,  
medium Nr.72 Ø 0.64 mm, coarse Nr.71 Ø 0.66 mm and  
very coarse Nr.70 Ø 0.71 mm

### Pebble head Championship

Article number 9000170

Copper with brass screw thread 3/4", gravity  
64 holes, extra fine Nr.77 Ø 0.46 mm and Nr.76 Ø 0.50 mm,  
fine Nr.75 Ø 0.51 mm and Nr.74 Ø 0.57 mm,  
medium Nr.73 Ø 0.61 mm and Nr.72 Ø 0.64 mm,  
coarse Nr.71 Ø 0.66 mm, very coarse Nr.70 Ø 0.71 mm,  
combo Nr.74 and Nr.76

### Pebble head Professional

Article number 9000175

Copper with brass screw thread 3/4", gravity  
64 holes, extra fine Nr.77 Ø 0.46 mm and Nr.76 Ø 0.50 mm,  
fine Nr.75 Ø 0.51 mm and Nr.74 Ø 0.57 mm,  
medium Nr.73 Ø 0.61 mm and Nr.72 Ø 0.64 mm,  
coarse Nr.71 Ø 0.66 mm, very coarse Nr.70 Ø 0.71 mm,  
extra coarse Nr.68 Ø 0.76 mm

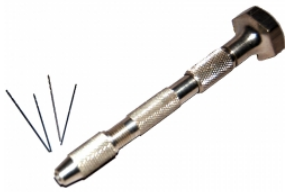

Derzeit kein Bild  
verfügbar

### Pebble head set, Icemaster Professional 5 - 7 pcs.

Article number 9000365

Stable storage box containing 5, 6 or 7 pebble heads, hole diameter of your choice

### **Pebble head drill kit**

Article number 9000180

Small chuck and 7 drills

Size of drills: #70, 72, 73, 74, 75, 76 und 77

### **Replacement drill to pebble head drill kit**

Article number 9000183

Individual replacement drill in different drill sizes: extra fine Nr.77 Ø 0.46 mm and Nr.76 Ø 0.50 mm,  
fine Nr.75 Ø 0.51 mm and Nr.74 Ø 0.57 mm,  
medium Nr.73 Ø 0.61 mm and Nr.72 Ø 0.64 mm,  
coarse Nr.71 Ø 0.66 mm and Nr.70 Ø 0.71 mm,  
extra coarse Nr.68 Ø 0.76 mm

### **Sealing spray head Carbon**

Article number 9000410

10 functions, flow rate adjustable, rubberised handle

### **Flood- and inundation tube**

Article number 9000360

Light, front cranked plastic tube, with hose connection at top  
On request with ball valves and nito couplings

### **Flooding hose, soft and flexible, multilayered**

Article number 9000350

Special hose that does not melt the existing ice surface despite contact.  
Colour: yellow, length: 100 meter

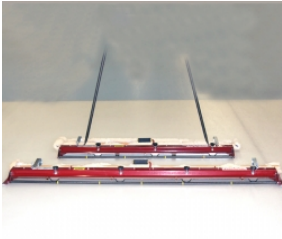

### **Battery pack pressure pebbling can**

Article number 9000187

With lithium-ion battery, capacity 15 lt., 1.0 to 4.5 bar pressure adjustable with charger

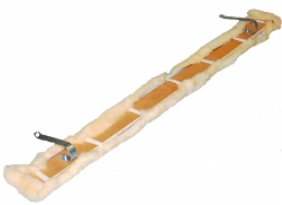

### **Tru cut nipper**

Article number 9000190

Pebble head cutter, available in 2 widths:

152 cm with 3 original blades or 203 cm with 4 original blades and with or without mop

### **Sheepskin mop attachment for tru cut nipper**

Article number 9000195

Available in 2 widths: 152 cm or 203 cm, with hooks

### **String mop attachment for Tru cut nipper**

Article number 9000200

Width: 203 cm, with hooks

### **Sheepskin replacement pelt for tru cut nipper**

Article number 9000205

Available in 2 widths: 152 cm or 203 cm

### **Replacement string mop for Tru cut nipper**

Article number 9000210

Width: 203 cm, 100% cotton

### **Original replacement blade for tru cut nipper**

Article number 9000215

20" = 50.80 cm, with holder and springs, without holder mandrels to plug in

Derzeit kein Bild  
verfügbar

### Wooden knife protection strips for nipper knives

Article number 9000315

With velcro straps

### SHOT precision nipper knife

Article number 9000295

Further information can be found [here](#).

### Replacement handscrew for tru cut nipper

Article number 9000220

For adjustment height of blade and angle

### T-Center

Article number 9000225

Adjustable in height, aluminum body with stainless steel bolt, these T-centers guarantee the original center hole for the entire season  
Available heights: 20 mm or 40 mm

Derzeit kein Bild  
verfügbar

### Replacement screws for T-Center

Article number 9000227

### T-Center with foot

Article number 9000230

Adjustable in height  
Available heights: 20 mm, 30 mm and 40 mm

### Plastic T-Center

Article number 9000235

With internal hexagon and external screw thread  
Height: 19 mm

### Plastic Tee Center Drill Bit

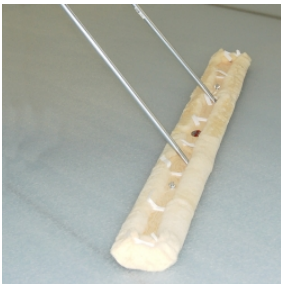

Article number 9000240

### 6-angle allen key 5/16"

Article number 9000245

For the insertion and removal of the plastic T-Centers

### Sheepskin mop sweeper complete

Article number 9000250

Complete with a galvanized steel V frame and U-shaped handle, pelts attaches to  
fram with velcro tabs  
Width 229 cm

### Sheepskin replacement pelt - covering to hand cleaning mop

Article number 9000255

With velcro tabs  
Width 229 cm

### String mop sweeper complete

Article number 9000260

Complete with wooden frame and U-shaped handle  
Width 229 cm

### Replacement string mop - covering to hand cleaning mop

Article number 9000265

Width 229 cm

Derzeit kein Bild  
verfügbar

### Replacement U-Handle for mop sweeper

Article number 9000305

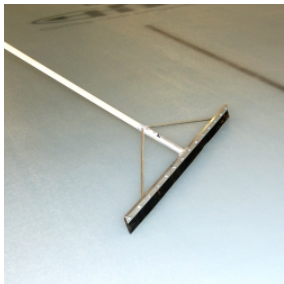

To Cancurl hand ice scraper blade, in various widths

### Broom for the hack strengthened

Article number 9000267

Bound rice broom with wood handle, strengthened

### Snow and water scraper

Article number 9000270

With rubber lip, aluminium bus straight  
Available widths: 150 cm or 200 cm

### Snow and water scraper, straight or cranked

Article number 9000275

With rubber lip, aluminium bus  
Width 97 cm

### Cancurl ice scraper

Article number 9000280

With Sandvik carbide blade, front panel cranked  
Width 150 cm

### Digital ice thermometer

Article number 9000285

Digital, DPP 400 W

### Minisight PRO I Infrared ice thermometer manual

Article number 9000290

Easy to use, with a large display screen

---

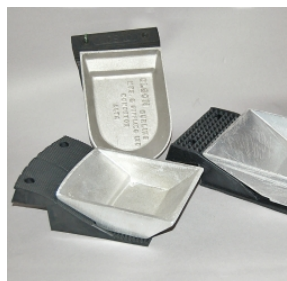

## Rink buildup + rink supplies

### Marco Hack

Article number 9010001

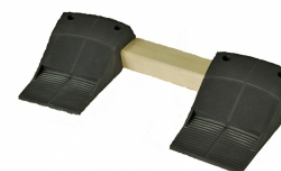

Single

### Marco flooding cup

Article number 9010005

Single, aluminium, for use with the Marco hack

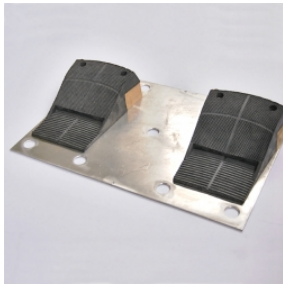

### Marco hack set on a 4-edge wood

Article number 9010010

Two times two single hacks mounted on a wooden hack board

---

### Marco hack set on a aluminium plate

Article number 9010015

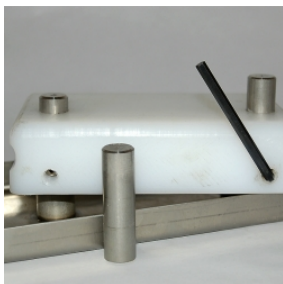

Two times two single hacks mounted on a aluminium plate

### Removable Hack Mounting System with Marco Hacks

Article number 9010020

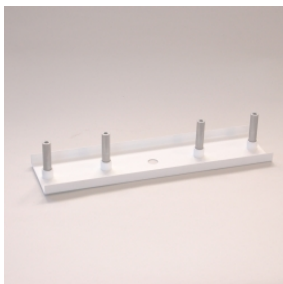

Consisting of 4 Marco hacks, 2 stainless steel mounting plates powder coated white, adjustable hack pins

### Hack pins single

Article number 9010025

Single, for Marco hack set with pluggable flooding cups  
Stainless steel, length: 2 1/2" = 64 mm

### Flooding and ice thickness compensation plug-in tubes

Article number 9010030

For Marco hack set with pluggable flooding cups  
Chrome steel, length 76 mm

Derzeit kein Bild  
verfügbar

### Socket pin hole cleaning drill set for removable hack set

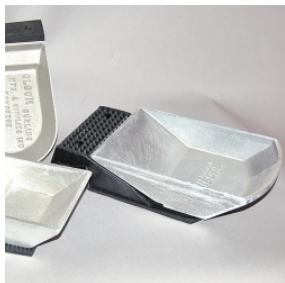

Article number 9010670

### Olson Canada hack

Article number 9010035

Single, large foot surface design, made of natural rubber, to prevent slipping

### **Olson Canada flooding cup**

Article number 9010040

Single, aluminium, for use with the Olson Canada hack

### **Olson Canada hack set on a 4-edge wood**

Article number 9010045

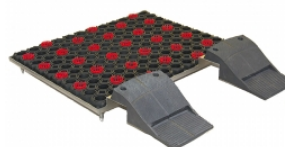

New style, two times two single hacks mounted on a wooden hack board

### **SHOT open-air and arena hack set**

Article number 9010065

2 hacks with Marco hacks, level compensation mat, four ice anchorpins, one anchor screw, without rubber mat

### **SHOT open-air and arena hack set**

Article number 9010070

2 hacks with Marco hacks, level compensation mat, four ice anchorpins, one anchor screw, complete with rubber mat and 30 plugged brushes

### **SHOT drilling template for open-air hack set**

Article number 9010300

Chrome steel, drilling template for drilling the ice anchor mandrels

### **Original JetIce-InIce ice paint white, Super White 3000**

Article number 9010450

Sprayable paint in powder form, in boxes of 20.41 kg

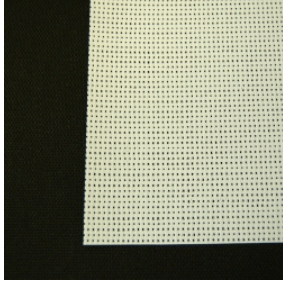

### **JetIce-Icepaint- Sprysystem complete (buy or rent)**

Article number 9010460

Consisting of: - **568 ltr.-plastic mix tank**  
- **electric pump and mixer 230V/50Hz.**  
- **spray boom width 4.27m**  
- **76 running meters hose Ø 19 mm**

### **JetIce end to end-InIce white sheet vinyl mesh**

Article number 9010470

Sizes: widthness: 4.88 x length: 48.768 meters

### **JetIce end to end-InIce kit package vinylmesh layers**

Article number 9010480

Kit includes: 1 white sheet, 2 full houses, two hoglines 4 rock markers and all ribbons  
1 rink = set of 2 houses

### **Digital printed JetIce-InIce end to end vinylmesh set**

Article number 9010490

Full sheet layer in 3 oversized parts adjoinable, houses and hoglines digital printed  
1 set = rink of 2 houses

### **JetIce InIce liquid engravable ice paint in red and blue**

Article number 9010800

Pail content of 3.8 liter

### **Novaset rink marking set non-woven paper fibers**

Article number 9010050

Novaset rink marking set non-woven paper fibers for single use

### JetIce-fullhouse

Article number 9010350

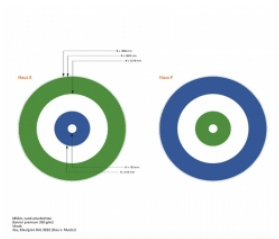

One piece print for easy installation

### JetIce-fullhouse

Article number 9010355

One piece print for easy installation, reusable

### SHOT house circle marking set

Article number 9010073

Vinyl film printed, 2 rink houses over the entire surface, umpteen times reusable, different colors chosen by the customer

### SHOT house circle marking

Article number 9010074

Umpteen times reusable textile foile, through-dyed, 12' circle in 2 parts, 4' circle in 1 part

### Cancurl curling rink marking set

Article number 9010075

Coated vinyl mesh, umpteen times reusable, 12'-circle, 8 parts, alternative in blue or red

Set contains: per 2 12' and 4' circle, 2 hoglines and 4 stone storing mesh

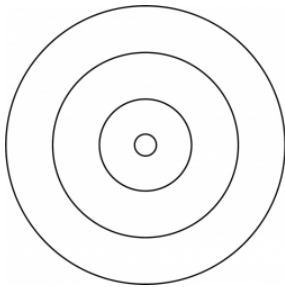

### Favorit-InIce full houses, textile fibre woven, digital printed

Article number 9010510

Easy to install, washable and tearproof

A house consists of 2 parts, can be laid overlapping

1 rink = set of 2 houses

**Favorit-Inlce contour full houses, textile fibre woven, digital printed**

Article number 9010520

Easy to install, washable and tearproof

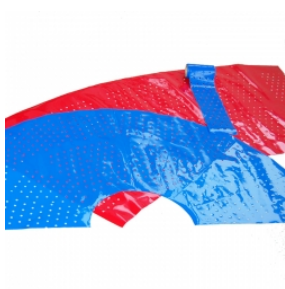

A house consists of 2 parts, can be laid overlapping

**Vinyl mesh hoglines**

Article number 9010080

Width 4" = 10.2 cm / Lenght 4.60 m., red and blue

**Set of house circles, hoglines and corner space for the stones**

Article number 9010085

Plastic foil, hole design eliminates air pockets, easily insert in the ice, reusable several times, outer circle alternatively in red or blue

**Favorit-Inlce in colored rock markers, textile fibre woven, digital printed**

Article number 9010530

Size: 2 stone rows  
1 rink = set of 2 pieces

**Favorit - Inlce contur rock markers, textile fibre woven, digital printed**

Article number 9010540

Size: 2 stone rows  
1 rink = set of 2 pieces

**Favorit-Inlce in colored rock markers, textile fibre woven, digital printed**

Article number 9010550

Size: 1 stone row  
1 rink = set of 2 pieces

### **Favorit-Inlce contur rock markers, textile fibre woven, digital printed**

Article number 9010560

Size: 1 stone rows  
1 rink = set of 2 pieces

### **Favorit-Inlce rock markers set-stone picture, textile fibre woven, digital printed**

Article number 9010570

Size: 2 stone rows  
1 rink = set of 2 pieces

### **Inlce-Curling Stone depot marking sheets in 5 different colors**

Article number 9010400

Nonwoven textile fibre sheet which can be reused lot's of times

### **Favorit-Inlce mixed-double position dots, textile fibre woven, digital printed**

Article number 9010580

Ø 20mm  
1 rink = 18 pc.

### **Favorit - Inlce prohibition symbols, textile fibre woven, digital printed**

Article number 9010660

**1 textile fibre woven** with 4 prohibition symbols, reusable  
-hand on ice  
-knees one ice  
-stone on hack  
-stone lifting

### **Rink number marking film**

Article number 9010420

Numbers or letters, 29 cm

### Ice line ribbon Favorit polyester, black

Article number 9010135

In two different widths and lengths  
13 mm for Center-, Back-, Tee- and Courtesyline  
25 mm for Sidelines and Rink dividing lines

### Fiberstick ice line ribbon, black

Article number 9010100

Length: 91.4 lfm  
Different widths available  
1/2" for Center-, Back- Tee- and Courtesyline  
1" for Sidelines and Rink dividing lines  
2" for Sidelines and Rink dividing lines  
4" for Hoglines

### Ice lines polyacrylic wool 5mm Ø

Article number 9010225

À 100 g

### Clean room self - adhesive foils floor mats

Article number 9000247

Various sizes carton with 4 pads with 30-ply floor mats.

NEW available rubber frame for the practical insertion of the clean room self-adhesive foils floor mats. [Information here.](#)

### Rubber frame for clean room self-adhesive foils floor mats

Article number 9000248

Rubber frame with bevelled edges and recess for the paractic insertion of the clean room self-adhesive foils floor mats without overlapping.

Dimensions rubber frame:  
130 x 75 cm suitable for the mat 114.5 x 61 cm  
130 x 105 cm suitable for the mat 114.5 x 91 cm

### Stone bumpers rubber profile

Article number 9010105

Strong, molded rubber, protect your stones and boards, black  
Dimensions: 64/35/20 mm, role 4.57 m1, demand per rink: 2 roles

### Stone bumpers

Article number 9010235

Foam core totally enclosed with tarpaulin fabric, velcro closure  
Lengths according to customer dimension, **color choice**

### Circle cutter steel chrome-plated

Article number 9010110

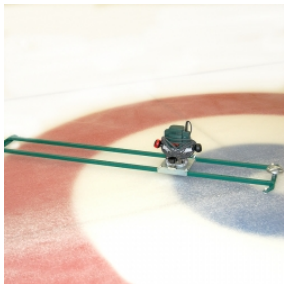

With 4 blades, inox, 3 different center circle size adjustable up to 55.88 cm, the chrom steel frame is rust resistant and blades are easy to replace

### Replacment blades for circle cutter

Article number 9010115

4 pieces = 1 set replacment blades, inox, hardened steel

### Circle cutter - for use with the router

Article number 9010120

Ice grooves millable with electric router (without the router)

### Ice groove cutter for routers

Article number 9010123

Long version  
Diameter clamping: 6.4 mm  
Straight bits width: 12.7 mm  
Height cutters: 25 mm

### Digital stone measure

Article number 9010125

Last Stone Draw (LSD), stone measure with digital display "closest to the button"

### **Spare tape measure to LSD-measure instrument**

Article number 9010225

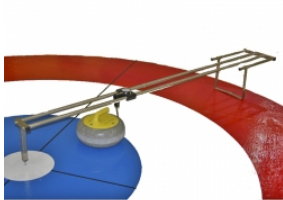

Spare tape measure to LSD-measure instrument with digital display

### **Cancurl precision competition dial measure**

Article number 9010130

Chrome with fine adjustable measuring head, mass dial, moved center

### **Thompson Competition dial measure**

Article number 9010140

Chrome steel with mass dial and indicator

### **Olson replacement measure head**

Article number 9010145

Replacement head for the original Olson competition measure, made of durable cast aluminium

### **Olson Delux replacement measure head**

Article number 9010150

Replacement head for Olson delux measure

### **Cancurl standard biter measure**

Article number 9010155

Chrome, high loop for easy setting and removing, non freezing glide material on end support, round ball nose

### **Deluxe biter measure**

Article number 9010160

Chromed steel measure

### **Cancurl over-the-stone biter measure**

Article number 9010165

Chromed steel measure

### **Measuring angle for Free Guard Zone and Backline stones**

Article number 9010620

Plastic measuring angle

### **Boot Boy shoe sole cleaner**

Article number 9010170

Complete with replaceable nylon bristle brush and water pan, 230 volt

**Bild 1**

### **Water pan for Boot Boy**

Article number 9010175

Stainless steel waterpan for Boot Boy shoe sole cleaner

Available in two versions:

Picture 1 with pull-out tray

Picture 2 without pull-out tray

### **Replacement nylon bristle brush for Boot Boy**

Article number 9010185

Replacement nylon bristle brush for Boot Boy shoe sole cleaner

### Boot Boy manual shoe sole cleaner

Article number 9010190

Manual, cast aluminium body, pilot holes for mounting, replaceable nylon bristle insert for both side and bottom pieces

### Boot-Master shoe sole cleaning machine

Article number 9010610

Plastic housing, 230 Volt electric motor, function with finger pressure

### Score board - fix mountable

Article number 9010195

Individually designed and printed according to customer requirements

### Hanging score boards - indication of stone or ends

Article number 9010200

Hanging plastic score boards

### Score boards - plates with the team names

Article number 9010205

Score boards - plates with the team names in plastic

### Store box for score boards - indication of stone or ends

Article number 9010210

Store box made of chrome steel with perforated bottom

### Score board mobile

Article number 9010215

Individually designed according to customer requirements

### Timer display, counting backwards

Article number 9010230

Height of digits: 20 cm., sturdy membrane keyboard, already connected to a 30m cable, power supply 230 Volts 50-60 Hz.

Mass: 118x38x11 cm, audio warning signal

Variant with infrared remote control

### Timer display, counting backwards

Article number 9010220

Timer display, counting backwards, display 4 LED-digits, minutes and seconds, height 10 cm in red

Measures L 510 x H 170 x T 40 mm

Metal casting easy to install at a wall, electrical connect

## Equipment for players

### Curling stones new Trefor Granit with inserts

Article number 9020001

Curling stones new (Canada Curling Stone) brand new Trefor Granite with 1 or 2 blue hone granite inserts, running surfaces for all the different possibilities of use, all ice conditions, flat or pebbled, indoor / outdoor, natural or artificial made.

### Open-Air curling-stones new Trefor Granit with inserts

Article number 9020003

Open-Air curling-stones new (Canada Curling Stone) brand new Trefor Granite with one or two blue hone granite inserts for all Open-Air ice conditions natural or artificial made flat or pebbled dull or dull and keen running surfaces.

### **Curling stones Ailsa Craig Common Green Granit (used stones)**

Article number 9020005

Curling stones Ailsa Craig Common Green Granit (Scotland, used stones) remanufactured, with blue hone granit insert running surfaces, for all the different possibilities of use and all ice conditions, flat or pebbled, indoor/outdoor, natural or artificial made.
